

Directions to Campus

If You Fly: You may choose to fly into either Orlando International Airport or Daytona International Airport. We usually suggest Daytona because it is closer, smaller (and therefore less confusing) and an easier drive to campus. Airport Code: **DAB**

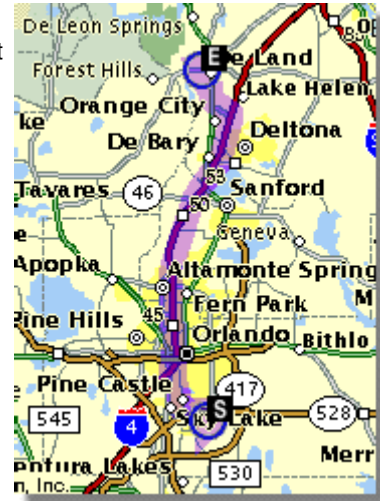

But flying into Orlando will probably save you some money. So please check both options before buying your ticket (Airport Code: **MCO**). Shuttle service is available from **both** airports through the [Daytona Orlando Transit System](http://www.dots-daytonabeach.com/) <http://www.dots-daytonabeach.com/> (DOTS) at (800) 231-1965.
